

**Advanced Driving Certificate Reminder  
V1.0 – 24 March 2026**

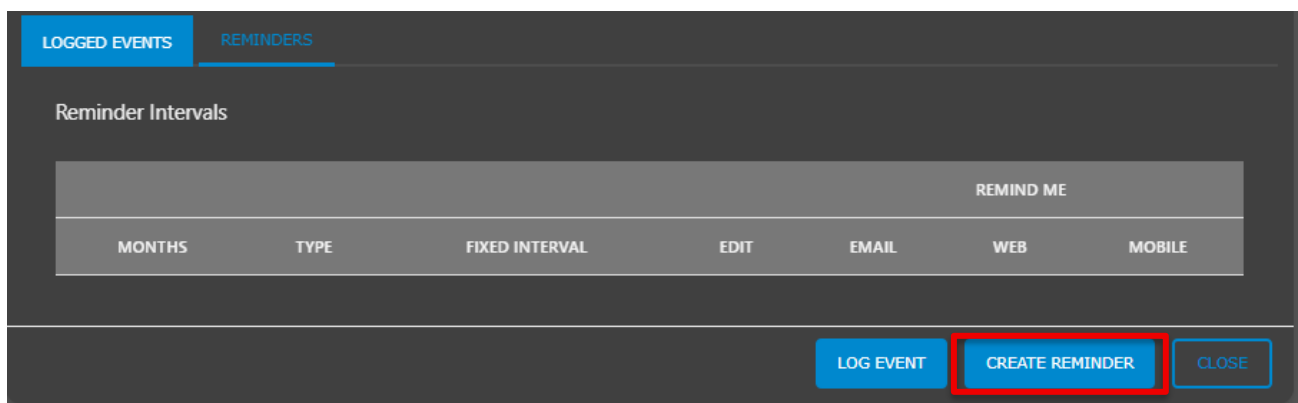

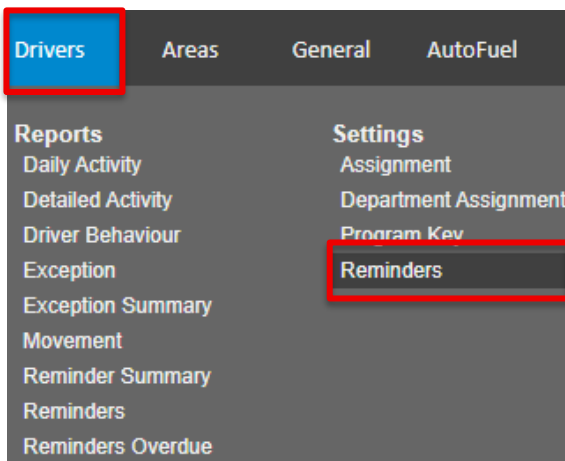

Dear Valued Autotrak Customer,

As part of Autotrak's ongoing commitment to delivering intuitive and user-friendly products, we invite you to explore the new driver reminder type option now available across all Autotrak web-based platforms (Assist, Approve, Alert, and Supreme).

Autotrak has introduced an **Advanced Driving Certificate** Reminder, enabling users to record Advanced Driving Certificate renewal dates and configure their preferred automated reminder notification delivery methods (email, web, and mobile) for upcoming driver certificate renewals and assessments.

This feature is designed to support companies and fleet managers in effectively monitoring and managing Advanced Driving Certificate renewals and assessment dates, ensuring improved compliance and enhanced operational oversight.
